Who is putting this on?

Why thank you – we are glad you asked! This is a collaborative event spearheaded by the [Clearwater Downtown Partnership](#) but supported by a whole host of Downtown Clearwater friends that we couldn't do without...just look at the special logos to the right!!!

***Benefiting Charity** means the charities listed here get all the proceeds from the beer and wine sales. This is where we get to help our non-for-profit organizations by giving back!

P.S. THERE'S PLENTY OF DOWNTOWN PARKING!
